

NURTURE THE CREATIVITY OF YOUR STUDENTS WITH FRESH ARTS EDUCATION.

Fresh Arts Education is an expert provider of arts education for children of all ages. We are committed to widening participation in the arts. We believe that every child should have the opportunity to participate in high quality arts education with highly trained professionals. Fresh Arts Education works in schools and nurseries to provide targeted workshops, PPA cover

and arts-based learning projects. We also provide enrichment clubs, where children participate in after-school LAMDA, dance, drama, musical theatre and art.

Our partnership approach embeds the arts into children's education and helps them to grow in confidence, self-esteem, creativity and skills.

OUR WORK IN SCHOOLS

- We work with **over 30 schools across London**, delivering workshops to close to 5,000 nursery & primary school children each week.
- We deliver curriculum music lessons and also offer dance as part of PE. We provide PPA cover in any arts-based subject.
- Our PPA workshops use arts-based learning to deepen children's understanding of class topics.
- We also run specialised programmes for targeted groups such as drama to boost language acquisition for EAL learners; drama based PSHCE including the new mental well-being strand of the curriculum.
- Fresh Arts Education can help your school to achieve Artsmark as we are an accredited Artsmark Partner.

OUR SPECIALISTS

All of our Fresh Arts Specialists are highly trained and experienced in both their art form and in delivering workshops to learners. Fresh Arts Education specialists are all trained in safeguarding, First Aid, effective behaviour management, working with children with additional needs, and Covid-19 awareness. We provide continuous CPD. We are trained in working with children with additional needs.

OUR WORK WITH NURSERIES

We have developed a specialist programme for nurseries and children's centres called **Fresh Arts Tiny Frogs**.

Fresh Arts Tiny Frogs, supports the EYFS curriculum through drama and dance. During each drama or dance session, our mascot Freddie the Frog goes on magical adventures with the children. These exciting sessions help the children to improve language skills, build confidence and improve dance and movement skills.

**Contact us to book a trial session
in your nursery.**

BOOSTING CHILDREN'S RESILIENCE, SELF-ESTEEM, & EMOTIONAL INTELLIGENCE THROUGH DRAMA.

The Bounce Drama Project is a drama and PSHE project for children in Year 3 and 4. In weekly Bounce Drama Project sessions, the children watch a short film excerpt where our character Freddie the Frog presents a challenge. The children then take on the role of the expert and use drama and role play to develop their problem-solving skills. We aim to build a toolbox of skills such as communicating feelings, emotional intelligence, understanding the zones of regulation and building healthy habits.

"Drama has really helped shine a spotlight on behaviour as communication and social emotional literacy. We have seen much improvement, not only behaviours, but attitudes to wellbeing and their ability to regulate."

— YEAR 3 CLASS TEACHER

"It's nice to teach PSHE in an engaging and fun way like drama, acting out your emotions is a fantastic way to practise how to deal with them."

— YEAR 3 CLASS TEACHER

FRESH ARTS

BOUNCE

The Bounce Project has **three distinct units**
which support the PSHE curriculum:

ALL ABOUT ME

This unit focuses on the children gaining understanding of themselves, what makes them unique and how they can help themselves and others to feel confident and celebrated.

Topics covered: Self-esteem, self-confidence, our thoughts, friendships and bullying.

EMOTIONS

We discuss the emotions that they might feel in daily life as well as develop skills and techniques to self regulate using the Zones of Regulation.

Topics covered: What are Emotions? Zones of Regulation.
Dealing with uncomfortable emotions.

HAPPY HEALTHY HABITS

This unit helps the children to understand the foundations of living a healthy life.

Topics covered: Healthy eating, sleep, exercise and mental health and emotional wellbeing.
