Monday 29th January 2018

Dear Parent/Carers,

You may have already read in the national newspapers about a kids app called 'Call Blaze and the Monster Machines 2018.' The app is disguised to look like an official product from the Nickelodeon show but it is not genuine.

The app is incredibly dangerous and threatens to hurt children with knives. Google has now suspended the app from Google Play.

If your child does have access to a mobile device or tablet please check that they have not downloaded the app and used it.

As always we will do our best in school to educate your children about saying safe online. Please check the weekly e-safety updates that are put on the newsletter and always monitor how your child uses their electronic devices at home.

If you have any immediate concerns about this letter please speak to a member of staff.

Yours sincerely,

Miss Saving

Assistant Headteacher
