Ofsted Report April 2025

Thursday 24th April 2025

Dear Parents and Carers,

Please find attached the Ofsted report following our recent inspection. **Newfield remains a good school!**

We are very happy that Ofsted have recognised the many strengths of the school- this is a very positive report. It recognises the good academic education and exceptional support that pupils receive here for their personal development.

Thank you to all parents who completed the Parents Surveys for Ofsted. The feedback was overwhelmingly positive and contributed to our good outcome. I greatly appreciate your support.

I do not need to tell you that Newfield pupils are amazing. Everyone who visits the school remarks on how wonderful the pupils are. I am so proud of the children. The report says, "Pupils are well-behaved, happy and considerate of others."

We have great strength in our staff team and within our governing board and this report reflects how well the school has developed since the last inspection. We will all continue to work hard to continually improve the school so that your children receive the very best education possible.

I am so proud of our school community and all that we have achieved together.

If you have any questions you would like to ask about any information included in the report please come and talk to me.

Yours sincerely,

Ms Bolt
