## Trackit Lights

Dear Parents and Carers,

Newfield Primary School uses **Trackit Lights** to track behaviour and attendance. Parents can currently see all positive behaviour on the Trackit app.

Moving forward, we would like to open more functions within the app, including the following:

- Behaviour Tracking – as well as positive behaviour (green, silver and gold), you will now be able to see when your child has been placed on orange, yellow and red.
- Detention – You will receive notification if your child has been given a detention.
- Messages – You will be able to receive reminders such as homework, trips and key dates.

If you already have the Trackit app downloaded onto your phones, you will see the updates after half term, starting from Monday 23<sup>rd</sup> February.

If you have not yet downloaded the app, a letter on how to access it will be given to you separately. We highly recommend that you do so as we believe this will support our school's approach to behaviour, strengthen communication with families, and help us celebrate success together.

If you require any support to download the app onto your phone, or have any further questions, please speak to Ms To or your child's class teacher.

Thank you for your continued support.

Yours Sincerely,  
Ms To  
Deputy Headteacher

**Headteacher: Ms Sarah L. Bolt**
