News at Newfield

Dear Parents and Carers,

I hope that you all had a relaxing and enjoyable half term.

You will see from the attached dates for this half term that it is going to be a very busy seven and a half weeks. We hope that you will be able to join us for some of the upcoming events and celebrations. Alongside the celebrations and the fun, there is still a lot of hard work and learning to be done.

Year 4 Multiplication Check and Year 1 and 2 Phonics Check

This week, Year 4 pupils have started completing their Multiplication Checks and next week Year 1 and some of Year 2 will be completing their Phonics Check. The pupils have been working so hard to prepare for their checks - we wish them the best of luck. We have worked very hard on continually improving the teaching of phonics at Newfield. Thank you to all of the staff for their hard work and thank you too to parents for supporting your child by reading with them daily at home. It makes such a difference.

Year 2 SATS

Year 2 will be completing their (optional) SATs during the weeks of 10th and 17th June. These tests will help Ms Dalal to create a Teacher Assessment level for each pupil at the end of Year 2. I am so proud of how well Year 2 have settled down and worked hard since Ms Dalal took over the class. She is a fantastic teacher and has done an amazing job.

Summer Assessments and Reports

For all year groups, the summer term is a time of assessments which measure pupils' success and identify their progress in learning across the academic year and over time at the school. All results will be shared with you - Year 6 results will be available on Thursday 11th July. You will be able to make an appointment with the class teacher to go through the SATs results. More information will follow. All other results will be shared in the annual reports. Annual reports will be given to parents on **Monday 22nd July**.

TT RockStars

Ms Harris is very happy with all of the children who have been working hard on TT Rockstars, both in Year 4 and across the school. She will be celebrating some individual successes with pupils in assembly next week. Look out for some certificates celebrating great achievements!

Transition

The summer term is also a time when we prepare pupils in Year 6 to move on to secondary school and to prepare all other pupils to move up to the next year group. In the coming weeks we will share information about the class teachers and Teaching Assistants for next academic year.

School Dog

We are delighted to announce that Newfield will be welcoming a school dog, a mini golden doodle, to join us from next September. The staff and pupils (those that already know) are very excited about this. We think this will be a great addition to our team. We recognise that some families might be fearful of dogs and we will work alongside all of you to make sure that you are comfortable and secure that the dog will be safely and securely managed and only come into direct contact with those pupils who are happy around animals.

We will write to you again soon with more details about some of the upcoming events.

Ms Bolt

Attendance

Yearly attendance 4th Sept – 6th June

Nursery: 94.1%
Reception: 90.7%
Year 1: 94.1%
